DATASHEET

SIGNATURE MK650 COMBO FOR BUSINESS

A versatile, comfortable combo with a full-size keyboard and mouse for improved productivity. The keyboard includes useful shortcut keys like mute mic, voice, and web tools. The Signature mouse provides dual-mode scrolling — line-by-line precision for documents and super fast scrolling for long web pages.

- **Designed for productivity:** Includes a full-size keyboard with pre-programmed function keys (F-keys) and a mouse with SilentTouch and SmartWheel technology.

- **Combo for comfort:** The integrated palm rest on the keyboard and contoured mouse mean more comfort for long days at the desk.

- **Enterprise-grade security:** Logi Bolt secure wireless technology provides a reliable connection even in congested wireless environments. Fully encrypted and FIPS compliant when paired with a Logi Bolt USB receiver.

- **Two ways to connect:** Choose between the Logi Bolt USB receiver when security is the priority, or *Bluetooth*® Low Energy wireless technology when cross-platform flexibility is needed.

- **Multi-OS layout:** Compatible with leading operating systems and platforms, so it's easy to deploy and manage in a multi-platform environment.

- **Support a more sustainable world:** Made with at least 21% post-consumer recycled plastic for the keyboard and 26% post-consumer recycled plastic for the mouse.[1]
